United Federal Credit Union Warm-Hearted on a Cold Day.

ST. JOSEPH, MICHIGAN (February 3, 2010) - As some keep to the indoors on a 16 degree day, United Federal Credit Union's Marketing Department braved the cold to raise \$869 for the Haiti Relief Fund.

Working for tips, a few employees installed credit union license plate frames on their fellow employee's cars at every Berrien County branch office. With their donation came a UFCU logo knit hat and scarf.

Teaming up with the Employee Charity Committee donation of \$1,000 – a total of \$1,869 is being presented to help the Haiti relief cause.

“United Federal Credit Union employees have a long standing tradition of assisting those in need.” stated COO Duane Nelson, “We are proud that our employees have come forward to help the people of Haiti during this difficult time and staying true to one of the credit union mottos of people helping people.”
